

I. Foundation

✓	Task	Force Recommends:	Force's Supplier:	Why Is This Important?
	SHINGLES	Landmark by Certaineed (30-year warranty) www.certainteed.com	<i>Carter Lumber Co.</i> www.carterlumber.com Sam 586-216-8036	It is never too early to order shingles and have them available as soon as the house is framed.
	EXTERIOR AND INTERIOR DOORS, GARAGE DOORS, AND WINDOWS	Jeld-wen www.jeldwen.com Andersen Windows www.andersenwindows.com CHI Garage Doors Schlage Hardware	<i>Carter Lumber Co.</i> www.carterlumber.com Sam 586-216-8036 or <i>Andersen Windows & Doors</i> www.andersenwindows.com	Choose the exterior window and door colors as soon as the plans are done. This is important so we can order and receive the windows on schedule. (NOTE: Custom exterior doors require more time to fabricate and deliver, and it is important for the framing carpenter to know the exterior door rough opening sizes.)
	EXTERIOR PAINT COLOR	Sherwin Williams or Benjamin Moore		
	FIREPLACES	Lennox www.lennoxhearthproducts.com	<i>FireClass, LLC</i> Charlie Tate 810-459-7519	During the initial framing phase, it is very important for the framing carpenter to know about any size requirements for fireplaces.
	PLUMBING FIXTURES AND WHIRLPOOLS		<i>Progressive Plumbing Fixtures</i>	

		Anna Hansen 586-295-4685 or <i>Herald Wholesale</i> 248-398-4560	It is important that all shower and fixture valves are available during rough framing. It is critical that the framing carpenter knows the dimensions of any whirlpool tubs.
